

BCS - 7th and 8th Grade

Boston: 10/6/2017 - 10/8/2017

Dear Parent and Student,

I am excited to announce that I am organizing an educational travel experience for our students. The benefits of travel for students are immeasurable. I hope that every student in our class will take advantage of this once in a lifetime opportunity!

The cost of this tour is \$1295.00 per Student in a Quad room (sharing room w/ 3 others). That includes motorcoach transportation, taxes, gratuities, and what is detailed in our itinerary.

Registration takes just a few minutes and the deposit is only \$320.00.

PLEASE NOTE: There is limited space on the trip. Seats are filled on a first come, first serve basis. Your spot on the trip will NOT be secured until you complete your registration and make your deposit. The deadline for enrollment is: **5/12/2017**.

Registration Process:

Please follow these easy steps to enroll online:

1. Visit www.studentadventures.org
2. Click LOGIN in the upper right corner of the Student Adventures website.
3. Sign-up for EasyTrack
4. Enter your cell phone information to take advantage of our OnTrip communication system.
5. After creating your account, please login and register for your tour using the following trip registration ID:

BCS1630

After following the on-screen registration instructions, you will receive a confirmation via email. Again, you are not fully registered until a deposit is made. You can make a payment using either a credit card or ACH payment online or by printing out your invoice and mailing to Student Adventures a check or money order.

Cancellation Policy and Fees:

Payments are non-refundable when made without purchasing Cancellation Super Protector or meeting standard cancellation terms as detailed on our website.

Cancellation Super Protector must be selected and paid for with your initial registration and deposit. Super Protector refunds the amount paid on your trip, minus the cost of protection, any prepaid non-refundable items (admissions, meals, etc.) and a \$50 registration fee should you cancel for any reason up to 48 hours prior to departure. Please see our website for a more detailed explanation of the Standard Cancellation policy and the Cancellation Super Protector.

It is crucial that the trip is paid in full by the final payment due date to avoid the \$25 late charge and risk losing your roommate choice or spot on the trip.

PLEASE NOTE: Student Adventures cannot register participants over the phone. If you cannot register online, you can get a paper enrollment form at the school office. **Any phoned in payments are charged \$10 for each payment.**

OnTrip Communication System:

Both Student Adventures and I ask for you to provide your email and cell phone number. We use this to communicate details about the trip, send payment reminders, and updates during the trip. Your information will not be used for anything other than distributing trip information.

We also ask for your permission to contact your student's cell phone. We send text messages for changes in itinerary, wake up times, elevated awareness alerts, and all important announcements while traveling.

For questions regarding the online registration process, please call Student Adventures at (877) 873-7550.

If you have any questions about this tour, please contact me:

All payments are non-refundable when made without purchasing Cancellation Super Protector or meeting standard Cancellation Protector terms as detailed below:

Cancellation Super Protector: (Available for a small fee)

Cancel for any reason up to 48 Hours prior to departure and receive a full refund less the cost of protection and the non-refundable registration fee! This protection excludes non-refundable meals, tickets, vouchers or airfare that has already been purchased on your behalf.

This service is offered at the time of enrollment only. Pricing does vary based on your group's trip itinerary. This offer will be clearly defined during your enrollment.

The Cancellation Super Protector does not make refunds in the event the entire trip is cancelled as a result of or following an act of God, war(whether declared or not), terrorism, or civil unrest.

Cancellation Protector: (Included at no charge)

Student Adventures will happily refund the trip participant the amount paid less the non-refundable registration fee and cost of airline ticket (if purchased) if the trip participant cancels due to the following:

- A: The trip participant incurs an injury that would be aggravated by travel or would prevent him/her from participating in scheduled tour activities. Written documentation by a physician is required.
- B: The trip participant develops an illness that would prevent him/her from traveling or would be contagious to other trip participants. Written documentation by a physician is required.
- C: Death of trip participant or an immediate family member up to the time of departure. Certificate of death required.
- D: The trip participant is required to serve on a jury, or subpoenaed as a witness in a legal action during the scheduled time of the tour. Documentation required.
- E: The trip participant is directly involved in a traffic accident while en route to the point of departure which prevents his/her from traveling. Documentation required.
- F: The trip participant's home becomes uninhabitable by any natural disaster including flood, fire, hurricane or earthquake. Documentation required.

With Cancellation Protector™ in your corner, your investment in educational student travel is protected for the most common cancellation reasons and Cancellation Super Protector™ provides the additional peace of mind knowing that you can cancel for any reason, no questions asked.

Please Note: Student Adventures will make vendor payments on your behalf to secure the best pricing and availability for items like airfare and show tickets. Non-refundable vendor payments are typically made soon after your initial deposit is made. Some vendors, such as hotels, may charge penalties for cancellation within 90 days of departure. Each vendor has different policies.
