

Dear BCS Families,

Birmingham Public Schools and the BCS National Junior Honor Society (NJHS) are working in collaboration with the charitable organization DRAW ([Disaster Relief At Work](#)) to gain supplies to donate to those who have suffered the impact of a natural disaster. We are seeking **4 packs of toilet paper** to fill the buckets. There will be collections boxes by the front office from Monday January 8th through Friday January 12th. In addition, there is a volunteer opportunity on Martin Luther King, Jr. Day, Monday, January 15th, 10:00 AM- 12:00 PM at Berkshire Middle School where BPS families will be sorting and inventorying the various goods we gain from this district wide donation drive. This is a great opportunity to help DRAW help communities impacted by natural disasters over the course of the year. We appreciate your donations!

Thank you for your support,
-BCS NJHS
